As President of the Conn Independent Auto Dealers Association I offer my testimony as it pertains to HB-5055; An Act Decreasing Wait Times at the Department of Motor Vehicles.

As the largest single pool of patrons of the DMV the Ct Independent Automobile Dealers urge passage of this bill. The wait times and other delays experienced daily by our members, in addition to the public, is outrageous.

Also, we are of the position that his bill should pass solely on its merits. The tax and parking ticket collectors in the various municipalities can find a way to collect taxes and fines on their own.

The DMV should not be used as a collection agency for others.
